Sliding Scale Tuition Rates 2018-19

Understanding Tuition

Giving Tree School schedules monthly tuition payments in the following manner:

daily rate x **number of scheduled school days in your child's slot** = **annual tuition** (Snow days and absences are not refundable.)

The total yearly tuition is then divided into 11 equal payments. The 1st payment is a non-refundable deposit to secure enrollment and is due within 30 days of receiving the contract. The 10 remaining payments are made on the first of every month, beginning in September, through June. Giving Tree school does not issue monthly billing statements. Payments are to be made promptly, or a \$40 late fee will be issued. Please view the Tuition Contract for further guidelines.

Giving Tree School provides a Sliding Scale Tuition and participates in the local voucher program to demonstrate our commitment to being accessible to all families.

SLIDING SCALE: To be considered for Giving Tree School's subsidized tuition rates at Levels 1, 2 or 3, families must submit income verification to the school [one month's pay stubs or IRS form 1040].

VOUCHER: The New England Farm Workers Council [413.475.3656] is the local agency for child care vouchers from the Massachusetts Department of Early Education. The voucher is separate from our tuition subsidies. Families eligible for the NEFWC voucher program are required to sign a Tuition Agreement Contract form and are responsible for the regular payment until the voucher comes through, at which time any overpayment will be applied to future tuition expenses. If you will be applying with NEFWC, please relay that information during the enrollment process. NEFWC, 21 Mohawk Trail, Unit #4, Greenfield, MA www.partnershipforcommunity.org
